

### Ride the Circulator

For a \$1 fare each way, the Circulator is a downtown shuttle service that takes individuals from the City's four parking garages (Park Place, Knighton, Gott's, and Hillman) all around the downtown areas. There is no fare for children under 5; up to 3 children per 1 adult. Exact change required. The Circulator also goes to the Navy-Marine Corps Memorial Stadium for a \$2 fee.

Just wait at one of our convenient Circulator Stops (look for the blue "C") or if you are in between stops, just listen for the bell our drivers will be ringing and raise your hand...the drivers will stop and pick you up.

Monday-Saturday: 7:30 am-11 pm; Sunday: 8 am-8 pm.  
The circulator runs on 20 minute intervals.
